TRACTION

A Season With Momentum

- Our 2026 season sold out show after show, with Front Row seats going first, every time.
- An email community of 1,700+ subscribers, and still growing with every performance.
- Paid campaigns run across metro Atlanta all season, alongside an active and growing social following.
- Every performance is a full evening out in Dunwoody: dinner in the neighborhood, then the show.

THE AUDIENCE

Our Audience

- Ages 26 and up: professionals, couples, and culturally engaged Atlantans.
- Upscale and experience focused: they choose quality nights out and love discovering something fresh.
- Ideal for date nights and group outings, and they talk: attendees regularly become loyal advocates who bring friends and family.
- Concentrated in Dunwoody, Sandy Springs, Buckhead, Brookhaven, and across metro Atlanta.

Why Sponsor Surya

- Association with an elegant, culturally rich experience that guests remember and photograph.
- Direct access to affluent local guests in the room, not a scrolled-past ad: signage, samples, stage mentions, and your name in their inbox.
- A genuine community story: your support keeps world class music and dance on a local stage.
- Simple, personal fulfillment. One contact, quick turnaround, and benefits delivered at every show.
